- Animal Yoga
 - Engaging in animal-themed yoga poses and movements.
- Nature Walk
 - Going on a nature walk to observe and learn about local animals and their habitats.
- Animal Parade
 - Dressing up as their favorite animals and participating in a fun animal parade.

Superheroes and Princesses

- Superhero Training
 - Engaging in superhero-themed obstacle courses and physical activities.
- Dress-up Day
 - Dressing up as superheroes or princesses and participating in a fashion show.
- Storytelling and Drama
 - Acting out superhero or princess-themed stories and creating their own stories.
- Arts and Crafts
 - Creating superhero masks, capes, or princess crowns using various art materials.
- Superhero and Princess Party
 - Celebrating with a themed party, games, and activities.

Under the Sea

Ocean Crafts

- Creating sea creature crafts, like paper plate jellyfish or handprint fish.

Water Play

- Engaging in water-based activities, such as a mini water table with ocean-themed toys.

Sea Animal Yoga

- Engaging in sea animal-themed yoga poses and movements.

Ocean Exploration

- Learning about different sea creatures and their habitats through interactive games and activities.

Under the Sea Party

- Celebrating with an underwater-themed party, including games, snacks, and decorations.

Space Explorers

Space Crafts

- Creating space-themed crafts, like rocket ships or galaxy paintings.

Sensory Play

- Exploring different space-themed sensory bins, like a moon sand sensory bin or a starry night sensory bin.

Astronaut Training

- Engaging in astronaut-themed physical activities and challenges.

Stargazing and Astronomy

- Learning about the planets, stars, and constellations through interactive activities and stories.

Space Adventure Party

- Celebrating with a space-themed party, including space-themed games, snacks, and decorations.

August 1st - August 30th

Nature Explorers

Nature Crafts

- Creating nature-inspired crafts, like leaf rubbings or flower crowns.

Outdoor Exploration

- Going on a nature walk, observing plants and insects, and engaging in nature-based activities.

Gardening

- Learning about plants, planting seeds, and caring for a mini garden.

Animal Encounters

- Interacting with friendly animals through a petting zoo or animal show.

Nature Celebration

- Celebrating nature with a picnic, outdoor games, and nature-inspired snacks.

Sports Mania

Sports Crafts

- Creating sports-themed crafts, like making paper plate basketball hoops or foam finger crafts.

Sports Day

- Engaging in various sports activities, such as soccer, sack race, and relay races.

Sports Skills

- Learning and practicing basic sports skills, like throwing, catching, and kicking.

Fitness Fun

- Engaging in fun fitness activities, like yoga, stretching, and dance.

Sports Celebration

- Celebrating with a sports-themed party, including games, awards, and sports-themed snacks.

Music and Dance

Musical Crafts

- Creating musical instruments using recycled materials or making musical-themed crafts.

Dance Party

- Engaging in dance activities, learning different dance styles, and participating in a dance party.

Music Exploration

- Learning about different musical instruments, listening to various genres of music, and engaging in musical games.

Talent Show Preparation

- Rehearsing dance routines, musical performances, or skits for a talent show.

Talent Show

- Showcasing the talents of the campers in a talent show for friends and family.

Imagination and Creativity

Storytelling and Drama

- Acting out stories, creating characters, and engaging in imaginative play.

Artistic Expression

- Engaging in various art activities, like painting, drawing, and collage-making.

Puppetry and Theater

- Creating puppets, putting on puppet shows, or engaging in theater activities.

Science Experiments

- Conducting simple science experiments, like making volcanoes or exploring chemical reactions.

Creative Celebration

- Celebrating creativity with a showcase of artwork, performances, and creative games.
